EXPLOSION AND DEATH AT PEAK'S MILL.

On Tuesday afternoon, about 3 o'clock, the boiler of the combination grist and sawmill, of Gregory Bros., at Peak's Mill, let go and wrecked the building, the boiler itself being thrown some twenty-five feet from its position.

A number of gentlemen were standing near and were all blown down by the force of the explosion or hit by the boiler.

Mr. Bert Perry, a young man employed by the Gregorys, was instantly killed; Mr. Sol. Wainwright, another employee, was fatally injured; the other parties near were pretty badly shaken up, but escaped further injury by almost a miracle.

Everything was done for the relief of Wainwright that was possible. Some fifteen years ago a somewhat similar accident happened near the same place by which five persons were instantly killed.

The mill destroyed on Tuesday was owned by the Gregory Bros. It was originally built by Mr. Chesterfield Warren, an old citizen of the Forks of Elkhorn, and Mr. E. W. Gregory, the father of the present owners.

WASN'T THE MAN HE WANTED.

A rather serious incident with laughable results, occurred on the L. & N. train to Lexington Saturday afternoon. A well known practical joker got on the train at a small station in Henry county, and, thinking he saw a mutual friend in the smoker, he strode in front of him and yelled out "You are the very man I am looking for," making as if to draw his gun.

The quiet stranger was too quick for him, and lauded a "bunch of bees" in the joker's right eye, bringing the chort from both list and eye.

Things looked equally for a while, but, as soon as mutual explanations could be made, a shake hands was indulged, "one was taken," and when this city was reached, they were as chummy as could be.

Moral—Be sure you're right, then go ahead.

NOTICE.

There will be a meeting of the Board of Directors of the Capital Gas and Electric Light Co. at their office, 102 St. Clair St., city of Frankfort, State of Kentucky, on Monday, January 11, 1903, at 2 p. m., sharp, for the purpose of transacting such business as may come before the meeting.

D. W. LINDSEY, President.

16-1d.

REMEMBERED THE BOYS.

Mr. J. W. Morrison, Manager, and Mr. M. P. Brown, Jr., Chief Clerk of the J. E. M. Milling Co., did the handsome thing by the tired, hungry and wet fire-laddies, on Friday morning, after the big elevator fire was under control. They took the boys to Frenchy's restaurant and gave them the best to be had to comfort the inner man. The boys felt strong enough, when they finished the meal, to fight another big fire, which they, happily, were spared.

GRAND AND NOBLE WORK.

The Salvation Army, Capt. Haag in command, did splendid work on Christmas Day. They had a good dinner for the worthy poor at the barracks in the West End, at which a large number were fed.

In addition, some 200 baskets were sent out to those who were not able to attend the dinner. Each basket had the following contents: One sack of flour; 1/2 peck potatoes; 1 chicken; 1 can fruit; 1 loaf bread; 2 lbs. sugar; 1 lb. coffee; hominy and apples.

This organization is doing a great deal of good among the poor, and deserve success, especially as they are doing it "in His name."

Hammond & Co. have just unloaded one thousand ten foot scantling. They have a large assortment of dry building lumber.

ANOTHER SMALL BLAZE.

A small blaze started in the Broom Factory, in the Penitentiary, on Saturday afternoon, but it was quickly extinguished by the prison fire brigade, with but small loss. No alarm was turned in.

CAUGHT AT LAST.

Wade H. Watts, a somewhat notorious witness in the Goebel assassination case, has been detected in stealing hogs in Fayette county, and placed under arrest. He shipped some of the stolen meat to his friends in this city. "One by one the roses fall."

Hammond & Co. have just delivered 55,000 of their celebrated Washington Red Cedar Shingles to the new Southern Presbyterian Church.

SATURDAY'S SHOOTING.

In a difficulty in a saloon in "Craw," on Saturday night, a man by the name of Alex. Turner, who claims Louisville as his home, was shot through the left arm and across the left breast by a man by the name of Robert Montgomery, the saloon keeper.

The circumstances leading up to the affair are hard to get at, but are said to indicate self-defense. Montgomery was arrested and released on bond.

Turner is thought not to be seriously wounded and left for his home in Louisville.

ATTEMPT AT ARSON.

An attempt was made on Sunday night, about 10 o'clock, to burn the residences of Mr. Wui. Crosby (an aged white man) and Mr. J. W. Daugherty (colored), near the city limits, on East Main street.

A box saturated with grease was placed just where it would communicate the blaze to the frame work of the houses, and was set fire to.

Passers-by discovered the fire and it was extinguished without loss.

CROUP.

The peculiar cough which indicates croup, is usually well known to the mothers of croupy children. No time should be lost in the treatment of it and for this purpose no medicine has received more universal approval than Chamberlain's Cough Remedy. Do not waste valuable time in experimenting with untried remedies, no matter how highly they may be recommended, but give this remedy as directed, and all symptoms of croup will quickly disappear. For sale by all druggists.

FRANKFORT MAN SHOOTS COLORED MAN IN VERSAILLES.

On Monday last, Mr. M. E. Gordon, the "second-hand man," became involved in a difficulty with a colored man in Versailles, during which the colored man drew a knife and started after Gordon, when Gordon shot the man. He was arrested and held in \$1,000 to the circuit court, which he gave and was released. A case of self-defense was shown.

MASONIC ELECTION.

The following officers were elected by Hiram Lodge, No. 4, A. Y. M., on Monday night, for the ensuing year:

John P. Selbert, W. M.
Harry Jones, S. W.
C. N. Ward, J. W.
Dr. V. A. Kaltenbrun, Tr.

Geo. E. Framster, J. D.
Gus Shaefer, S. & T.

DEATH OF EDITOR W. A. HOLLAND.

Mr. W. A. Holland, editor and proprietor of the Eminence Constitutionalist, died suddenly in Louisville, on Tuesday night last, of apoplexy. Mr. Holland had just reached the city, eaten his supper and started to a hotel when he was stricken and fell on the street. He was taken to his room and physician summoned, but passed away before any of them reached his side. He was 76 years of age, and had been a publisher all his life. He was an agreeable and versatile writer.

REV. CARLISLE P. B. MARTIN,
L. L. D.

Waverly, Texas, writes: "Of a morning, when first rising, I often find a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Honey-syrup will at once dislodge it, and my trouble is cured. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung troubles." Price 25c. 50c. \$1.00 bottle at Paul B. Weitzel's.

DOUBLES CAPACITY.

As stated by us some time since the Frankfort Ice Co. has just completed an enlargement of its plant by which its capacity to manufacture ice has been doubled. This was greatly needed, as the demand upon this clever company for ice in hot weather was taxing its capacity to the utmost, and when any accident happened, it had to obtain additional supplies elsewhere.

It is now able to meet any demands likely to arise any time in the near future.

We congratulate these hustling young men upon their success, which they fully deserve, as they are enterprising and industrious.

APPOINTED TO POSITIONS UNDER NEW REGIME.

Auditor-elect S. W. Hager has announced some of the new appointees to take positions when he goes into office on Monday next:

Mr. Henry R. Prewitt, of Mt. Sterling, to be Insurance Commissioner.

Mr. Mott Ayers, of Fulton, Deputy Insurance Commissioner.
Mr. W. Jule Day, of Louisville, to be Assistant Auditor.

10,858.

Is the ticket which is entitled to the Child's Range at Reading's. The holder of this ticket will please present it at once at Reading's and secure the prize. If this ticket is not presented by Monday, Jan. 4, the Range will be given the party holding the second draw from the box. All parties will hold their tickets until Range is given away.

DISLOCATED HER SHOULDER.

Mrs. Johanna Soderholm, of Ferguson Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep, which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by all druggists.

DAMAGED WHEAT SOLD.

The insurance companies who carried the insurance on the wheat in the J. E. M. Milling Co.'s elevator, sold the same on Thursday, to St. Louis, Mo., parties for \$11,000 cash. The new owners are manufacturers of the serial breakfast foods so much used now.

WATER PIPE BREAKS.

A water pipe in the basement of the State Capitol broke, on Tuesday night, and flooded that portion of the building to the depth of some four feet. Workmen were at once put to work to pump out the water and repair the break.

BIG LOT OF 'GATORS.

When Col. Lon Hammond's foreman at his lumber yards, on Wilkinson-street (Capt. John T. Daniel) unloaded a car load of shingles, just received from New Orleans, La., on Thursday, he found among the shingles a good half dozen alligators from 12 to 16 inches long. Owing to their long, cold ride, the 'gators were torpid, but when thawed out, made things pretty lively for a while.

Go and see them.

DR. A. A. BAILEY LANDS A PLUM.

Dr. A. A. Bailey, of Bailey's Mill, this county, has been appointed to the vacant place as Assistant Physician at the Eastern Lunatic Asylum, at Lexington. Dr. Bailey made a great race for the Democratic nomination for Circuit Clerk. He is a clever gentleman, and we congratulate him upon his success.

HARVIELAND.

Well, another Christmas has past without any accidents of note occurring in our town. Just a finger or two blown off, and a few splinters off of those jollying sticks thrust through the hands, is about all that has been reported.

Mr. R. H. Suter has sold one of his fine tobacco farms to Mr. Dunlap Thurman, of Shelby county. The price was not known, but one thing we do know is a judge of tobacco land that wants to buy, after a peep, never passes us by.

The sale at Mr. Forrest Harrod's Tuesday, was largely attended, and the bidding was very lively. Everything sold for fair prices. The candidates were thicker than fleas in a hog's bed.

We only regret to say that Mr. Forrest Harrod departs Tuesday next for Mrs. E. Z. Parris, of Tennessee, is spending the holidays with relatives here.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger to and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists.

Pleasant to take.

Entered at the post office at Frankfort, Ky., as second-class matter, June 15, 1903.

GEO. A. LEWIS, Editor and Pub.

FRANKFORT, JAN. 2, 1903.

THEY NEVER FORGET.

As is their custom, the employees of the Roundabout establishment handsomely remembered the proprietor on Christmas. Their present of this time was an elegant chair, but, remembering the fate of the venerable editor of the Call, who went to sleep in his office chair and toppled over with disastrous results, they provided against a like misfortune by procuring a beautiful Morris reclinor chair—one in which we can rest, even doze, if need be, and dream of the very pleasant relations which have always existed between us as employer and employee, and their many manifestations of a friendship which we trust may continue during life. It is not our custom to boast of our establishment, of its being one of the best equipped in the State and able to turn out work equal to any other office in the country, but we claim to have—and are proud of it—the best looking, the kindest hearted and the most faithful office force of any man in the United States, and right now we feel able to lick the fellow who disputes that claim.

May the new year bring to them, one and all, health and happiness, while we try to attend to the prosperity end of the business.

THE COMMONWEALTH'S CAPITAL.

(Louisville Herald.)

All Kentuckians are interested in the capital of the State. Frankfort is finely situated on the Kentucky river, one of the many fine streams which, rising in the United States, flow, beautify and enrich the Commonwealth. The river presents striking opportunities for business, pastime and pleasure. The scenery along its banks is admirably diversified; here the delightful assertiveness of hillsides, there the inviting charm of peaceful valleys. On a fine site commanding such a river as the Kentucky, Frankfort should be one of the handsomest. If not the most attractive, of State capitals in the Union. The people of Kentucky desire to see their capital city be made worthy the State's traditions, its achievements. The capital of Kentucky should be a city a visit to which was an event-making event in the life of every youth in the State. It should be equipped with public edifices for the chief magistrate, and his official associates, for the Court of Appeals, for the Legislature and for a State library in which Kentuckians might point to pride.

The proposed construction of a new modern hotel at Frankfort, for which there is ample roomage from the outset, is a step in the direction of transforming the capital into a resort for which nature has amply adapted and equipped it. It is now, during sessions of the Legislature, a winter town, hospitable, indeed, but with limited equipment for the comfort of visitors. In of years it is merely a jumping-off point for persons calling for a few hours on official business. The people have given Governor Beckham a second term. They have sent an overwhelming Democratic majority to both branches of the General Assembly. The Governor can not distinguish his administration in any more lasting way than by using the influence of his high office to secure a new capital for Kentucky. The Legislature will commend itself to the whole worthy citizenship by endorsing the Governor's policy in this important regard. Proud day will it be for Governor Beckham when he lays the cornerstone of a capital with which his name and efforts, as well as the liberality and foresight of the General Assembly, shall be forever associated. A capital of the dimensions and architectural merit befitting Kentucky will be in time followed by other public edifices of a becoming character.

Kentucky wants a capital city worthy its citizenship. The man or combination of men, standing in the way of this desired embellishment is purely obstructive and reactionary. The progressive spirit of the State can not be arrested by any stumbling block. We look to the Governor and General Assembly to give practical and generous expression to that spirit.

Thirty

Days Was My Life's Limit.

Agony From Inherited Heart Disease.

Dr. Miles' Heart Cure Cured Me.

One person in every four has a weak heart. Unless promptly treated a weak heart will easily become a diseased heart. A little extra care, a little more food, a little more rest, a little more medicine, a little more of this deadly malady, the most common cause of sudden death. Dr. Miles' Heart Cure will tone up the heart's action, enrich the blood and improve the circulation.

"My trouble began with catarrh and I have always supposed it caused the trouble I have experienced with my heart. I had the usual symptoms of sleeplessness, lost appetite, constipation, palpitation of the heart, shortness of breath and pain around the heart and under left arm. My mother suffered in the same way and I supposed mine was an inherited tendency. At one time I was in agony. I suffered terrible nervousness and became so weak that my doctors said I could not live thirty days. At this time I had not slept over two hours in eight or ten days. I was nervous. The least exercise, such as walking about, would bring on palpitation and fluttering of the heart so severe that I would have to give up everything and rest. Nerve and Liver Pills cured me of constipation and heart symptoms disappeared under the influence of Dr. Miles' New Heart Cure. I am in better health than I have been in twelve years and I thank Dr. Miles' Remedies for it. I think they are the grandest remedies on earth and I am constantly recommending them to my friends."—Mrs. L. J. Cantrell, Waukegan, Tex.

DULY CELEBRATED.

In accordance with the usual custom of the Knights Templar of this country to assemble at the same hour on Christmas morning for the purpose of offering a sentiment to the Most Eminent Grand Master of the United States and extending the compliments of the season, Frankfort Commandery, No. 4, held a well attended meeting Friday morning, which was a very pleasant affair. Not only was the Grand Master present, but the Grand Commander of this jurisdiction came in for a share of the honors, and in this respect the ceremony was not alone for Louisville Commandery, No. 1, Covington, No. 7, DeMolay, No. 12 and Marion, No. 24—the four largest Commanderies in the State—also remembered the Grand Commander, telephoning and telegraphing best wishes for a successful administration and a happy and prosperous new year.

DR. LEN HUGHES COMING HOME.

Dr. Len H. Hughes, who has been serving in the Philippines for several years, sailed from Manila on the 15th of December, and is expected to arrive at home about the 20th of this month. When the Spanish War broke out Dr. Hughes entered the volunteer service, was sent to Cuba, later transferred to the Philippines, and this will be his first visit home in five years. Since he has been in the Philippines he has been serving with the New Scouts with the rank of First Lieutenant of Cavalry. Dr. Hughes is married to Mrs. J. W. Hughes, formerly of this city, but now a resident of the Woodlake neighborhood, and has many friends in this city and country who will be glad to welcome him home.

BEAUTIFUL AND ANCIENT MASONIC RELIC AND HEIRLOOM.

We have been shown by Rev. M. B. Adams an ancient and beautiful heirloom, a watch chain in the shape of a gold square, compass and letter G, the whole being handsomely set with rubies.

This heirloom is known to be over 175 years old, it having been given by Lord Lyttleton of England, when on a visit to America, to his friend, Mr. John Adams, of Maryland, with the understanding that it be handed down to the eldest son of Mr. Adams, and so on down.

Rev. M. B. Adams, being the eldest son, in the direct line, has fallen heir to this beautiful and ornamental chain. He is a member of Hiram Lodge, No. 4, A. Y. M., and is wearing this chain with great pride.

Consumption

Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.

Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request.

Be sure that this picture is the mark of a label on the wrapper of every bottle of Scott's Emulsion.

AWFUL HOLOCAUST.

By telegrams from Chicago it is learned that the New Iroquois Theatre, recently erected at a cost of over \$1,000,000, was consumed by fire on Wednesday afternoon, when filled to overflowing with an immense audience, and that some 600 people were either burned to death in the flames or crushed in the awful stampede caused by the fire.

Such a terrible calamity as this has never occurred in this country before. It strikes the tongue dumb with horror, when attempting to tell of it. God pity that stricken city, which does seem to have had its cup full of horrors to the very brim. The monetary loss, though immense, is but a bagatelle when compared with the human sacrifice.

RESUMED FOR THE SEASON.

The Old Oscar Pepper distillery, the property of Messrs. Labrot & Graham, resumed operations for the season of 1903-04 on Tuesday. This distillery has a fine reputation for making good whisky and does manufacture as fine goods as any in the State. The management are first-class gentlemen as well. They only produce a limited amount each season.

GOOD SHOWING.

Mr. Sam J. Shackelford will retire as clerk of the Court of Appeals in a few days. A committee of the judges of that court, consisting of Judges Hobson and Nunn, have been, under orders of the court, going over the accounts of the office, and find the business in a very satisfactory condition. Every dollar of receipts have been accounted for and all due the State has been paid in.

BADLY OFF.

We regret to learn that Mr. W. B. Morris' little girl, who was so badly burned some time since, has become so seriously affected that it has been found necessary to bring the little one to the city so as to be near a physician. We hope she may soon recover.

THANKS.

We have been placed under obligations to our friend, Mr. A. F. Creighton, Jr., for a handsome souvenir ink eraser, which is sent out by the Planet Mills, a big paper manufacturing plant, of Brooklyn, N. Y., of which Mr. Creighton is the superintendent in place of his lamented father. We desire to return our thanks for his kind remembrance.

BIG WHISKY SALE.

The Kentucky Distilleries and Warehouse Co. has recently sold \$25,000 barrels of T. R. Ripy Whisky, stored in bonded warehouses at Tyrone, Ky., to James Levy & Bro., of Cincinnati, Ohio. The cost of the whisky and the tax upon it will amount to \$1,600,000. This is the biggest sale made for a long time.

HOW IT SPREADS.

A Report from Frankfort Confirmed in Frankfort.

The testimony of friends and neighbors in every city and town of any importance in the United States has made Doan's Kidney Pills famous. The people of Frankfort will not find it necessary to go out of the city for proof. Plenty of evidence at home.

Mrs. Anna M. Kavanaugh, widow, residing at 504 Main St., corner of Todd, says: "I received no permanent benefit from all the different medicines I took for a number of years past trying to find relief for the intense suffering I endured across the middle of my back, seemingly centered in my kidneys. I became, in fact, about tired and discouraged in my efforts to find help. At one time my condition was so bad from congestion of the kidneys that my doctors gave me up, however, I got better, but continued to suffer with the dreadful misery in my back and an annoying and distressing weakness of the kidneys. I read of the splendid testimonials about Doan's Kidney Pills in our papers and this induced me to make one more effort. My grandson procured a box for me at J. W. Gayle's drug store, and to my most pleasant surprise they gave me immediate relief, and by continuing the treatment I found myself remarkably improved."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agent for the United States. Remember the name—Doan's—and take no other.

BRYANTTOWN.

(Delayed Letter.)

We have been visited by another matrimonial cyclone, this time far more destructive than the one that visited our community last winter. Not only ours, but several adjoining communities shared the fate.

Whooping cough has again invaded our town.

Mrs. Mintie Parish and children, of Elkhorn, Tenn., are visiting her parents, Mr. and Mrs. James Fulham, of Bark Branch.

Died—At the insane asylum, in Lexington, Dec. 9th, Mr. Geo. F. Stigers, of Mt. Zion. He was an honest and upright citizen; highly esteemed by his many friends. He will be sadly missed. Mr. Stigers has been a life-long sufferer from spinal affection, and was at last attacked with congestion of the brain, which developed mental derangement. His physician and friends decided to send him to the asylum in hopes that he would be benefited, but in vain. His disease was beyond control. After a stay of some two weeks, death came to relieve his great sufferings. He leaves a heartbroken wife and six children—five boys and one girl—a sorely grieved mother and two sisters. The remains were sent home Dec. 10th, and next evening the funeral services were conducted by Rev. M. B. Adams, of Frankfort, at Mt. Zion Church. The body was returned to mother earth in the family burying ground to await the resurrection morn. The pall-bearers were Messrs. W. H. Snoduth, Ezra Allison, Allen Stigers, Ezra Sheets, Ed. Stigers and Archie Moore. We extend our heartfelt sympathy to the sorrowing ones.

"Weep not, dear mother, and loving wife
Your heavenly father knoweth best,
He hears your prayers; He knows your grief,
And has given a sufferer happy rest."

The prettiest event of the season was the wedding of Mr. Willie P. Stratton and Miss Naomi G. Clark, at Mt. Zion Church, Wednesday evening, Dec. 23d. The church was filled with friends and relatives of the contracting parties. At the appointed time the bridal party arrived. The first to enter the church were the bridesmaids, Misses Gols and Jessie Roberts, dressed in white, with green ribbons, carrying bouquets. Next came Misses Cordie Allison and Jessie Huette, also in white, with pink ribbons, carrying pink carnations. Then came the bride and groom. The bride was beautifully gowned in white tulle, made en train, and tastefully trimmed in lace and ribbon. She carried a lovely bouquet of bride roses. The ceremony was performed by Rev. C. J. Nugent, of Frankfort. Immediately after the ceremony, the happy couple, accompanied by the bride's sister, left on the L. & N. train for Louisville, and were there entertained by the groom's sister, Mrs. James Baskett. They remained there until Saturday evening, when they returned to the home of the bride, where a hearty reception was in waiting for them, and a table spread with choice viands.

"May heaven's blessing crown their path,
May they live a long and useful life,
A sacred union, divinely given,
A faithful husband and a loving wife."

MOLLY YOCUM.

GOOD FARM FOR SALE.

A farm containing 174 acres of good land, well situated, with plenty of water, both pond, well and springs—well in the yard; about 15 acres of woodland; brick house of seven rooms, with cellar and garret, is offered for sale at a bargain. The farm is located near Farmdale and adjoining the lands of Mr. J. P. Hostetter and Mr. George Green. For terms apply at this office.

STAMPING GROUND.

Mr. Joe Kennedy and wife, of Pittsburgh, Penn., were guests of relatives here during the holidays.

Mr. J. Will Calvert, who has been very ill, is improving slowly.

Died—Near Minorsville, Mr. Jos. Romans, aged about 75 years.

Miss Beatrice Duvall, who is a stenographer in Cincinnati, is at home for the holidays.

Messrs. J. B. Sprake, Herman Robinson and Rankin Duvall, all students at the State College, are at home for the holidays.

Albert Lewis, colored, who is an efficient butcher, has killed 190 hogs for our farmers this season. He only charged 35 cents per head, which makes it much cheaper for the owners than doing the work themselves. He thoroughly understands his business.

Dr. A. Stewart has sold his drugs, etc., to Mr. O. N. Jameson, who will soon take charge. Mr. Jameson is a thoroughly competent pharmacist.

We regret to learn that Rev. T. Wain Beagle, the venerable and able pastor of our Baptist Church, is suffering with dry gangrene in his feet, and but little hope is felt for the outcome. Bro. Beagle is a truly pious man, one who lives his religion every day. His good wife is still very sick, but is somewhat better than she has been. The immediate family of these good people are with them.

Our whole community was saddened by the sudden death of our venerable friend, Mr. C. H. Duvall (Uncle Nealy), who died Saturday morning, at the home of his daughter, Mrs. R. L. Thomason.

[Our correspondent sent us an obituary of our friend, but we had already written an article, which may be found in another column.]—Editor.

SEA OF AZOF DISAPPEARING.

St. Petersburg, Dec. 16.—The sea of Azof is disappearing and remarkable scenes are in course of action. At Taganrog the waters have receded to such an extent during the last few days that the bed of the sea is visible for a distance of thousands of feet. High winds hurried clouds of sand shoreward, covering the town. Vessels are lying high and dry, and the greatest confusion prevails in the harbor. Work in the factories has had to be reduced to a minimum, owing to lack of water.

CURED AFTER SUFFERING TEN YEARS.

B. F. Hare, Supt. Miami Cycle and Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I tried better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." REGULAR BLIZZARD.

When the writer of this article got into a buggy in Versailles, on Christmas night, to start home, the moon was shining brightly and the weather was ideal, just enough of frost in the atmosphere to make it bracing.

When some six miles from Versailles the clouds began to gather and a specially heavy cloud seemed to hang over this city.

Just when passing Jetts Station the wind, which had begun to blow furiously, brought with it a blinding rain, which in a few minutes, was succeeded by clouds of snow and sleet.

The wind blew so fiercely that it was with difficulty that the horse we were driving could go out of a walk, and it seemed as though the buggy, horse and all would be blown from the pike several times. When we reached the city the overcoat we wore was frozen hard up to the elbows, and had to be thawed out before we could take it off.

This is but a small illustration of the merry old climate we have in the blue grass since the big forests have been destroyed.

"The nicest and pleasantest medicine I have used for indigestion and constipation is Chamberlain's Stomach and Liver Tablets," says Melard F. Craig, Middlegrove, N. Y. "They work like a charm and do not gripe or have any unpleasant effect." For sale by all druggists.

SMALL BLAZE TUESDAY NIGHT.

At 8 o'clock on Tuesday night an alarm from box 21 called the fire boys to the residence of Col. W. S. Dehoney, on Main street, near High, where a defective fire had set fire to the wainscoting surrounding it in the dining room.

The blaze was soon extinguished with a loss of some \$50, which is covered by insurance.

THELMA

is being exploited this season with a cast of pronounced excellence at the head of which we find Miss Ruth Eldridge in the name part.

Marie Corelli is unique in her personality; her stories are written in a vein which is all her own, and no one of these more so than that much read one, Thelma, which, as a play, is now in its third successful year. Thelma is a tale of quaint characters and picturesque locale. The same may be said of the play. It is totally unlike any other drama now being produced on the stage. The first, second and last acts are all laid in northern Norway, and the customs and habits of the people who live there have never before been made the subjects of a drama. The exterior of the old bonds' home near the Alth Fjord, shown in the first act, in the summer time, with its beautiful foliage glowing in the light of the sun, which at midnight still shines resplendently in the heavens, and in the last act pictured as it appears during the winter, mantled in snow, devoid of vegetation and without light save that which is derived from the Aurora Borealis gives to the scenic artist a chance to paint two opposites of the same scene, such as could not be found in any other latitude of the inhabited world, and Manager Chase gave to both electrician and artist the opportunity to do all they could devise for these scenes; the result of which is said to be two creations of beauty such as seldom have been offered to the public. The snow avalanche in Act IV, which is produced by means of electricity, has been pronounced one of the most realistic of all modern stage novelties. Hjedezgorze, the most famous waterfall of Norway, is also shown in Act II. The scenery was painted from original photographs of the actual scenes. The production is, therefore, one of educational interest, and should commend itself to the interest of our best theatre-goers of whose patronage we have it to be worthy. "Thelma" will be produced at the Capital Theatre on Monday, Jan. 4.

JUST AS A FIRE

Spreads in dry grass and weeds, so does an inflammation of the throat—the result of a cold—grow down into the sensitive air passages of the lungs. The cold, like the fire, should be promptly dealt with. When you begin to cough use Allen's Lung Balsam. It will certainly heal the sore throat and lungs and it may save you from consumption.

Women love a clear, healthy complexion. Dr. Wood's Norway Pine Syrup helps men and women to a happy, vigorous old age.

..DEATHS..

DUVALL—At the residence of his son-in-law, Mr. R. L. Thomas, near Stauping Ground, on Saturday morning, Mr. Cornelius H. Duvall, aged 76 years, of rheumatism.

Verily a strong pillar in Zion has fallen and a sturdy soldier of the Cross has won his crown.

"In the Xmas," as everybody was fond of calling this grizzled veteran, was a true Christian gentleman, with all that the name implies. Quiet, unassuming, yet earnest and zealous, he lived, day by day, the truths of the religion he had professed for so many long years.

As a good brother once said, "his pocketbook was haunted along with his person." He was ever ready to help bear the burden of the cause he loved, whether physical or financial. He raised a large family of children to rise up and call him blessed, and they are worthy citizens of their several communities.

Genial and wholesomed, his society was sought by all, both young and old. He had never been wholly the same, however, since the wife of his youth was called home in advance. There was a subdued and chastened spirit about him that was pathetic and drew his friends only the nearer to him.

He had never been sick to amount to anything in his long life, and when the insidious disease that laid him low appeared, his sturdy form yielded (as is so often the case with strong and stout men) all too soon.

But, thank God, he was not afraid when the white-winged messenger came to convey his tired spirit to the better land. Quietly and peacefully, as a child going to sleep, his weary head was pillowed on the arms of his Saviour, and he went home gladly, to meet the "loved ones over there."

The funeral services were conducted from the Owenon Baptist Church, on Monday afternoon at 2 o'clock, by Rev. E. F. Wright, of New Liberty, and the loved form was laid to rest by the side of his wife in the Owenon cemetery.

He was a member of the Stamp- ing Ground Baptist Church and will be sadly missed.

He leaves six sons, four daughters, two brothers and two sisters too mourn his death.

Farewell, dear brother, farewell. We shall strike hands again on the other shore, where no parting words are ever spoken and no bitter tears are shed. Until then, farewell.

WALKER—In Chicago, Ills., Mrs. Amanda Morehead Walker, widow of Mr. Sam'l J. Walker, and eldest daughter of the late Gov. Chas. S. Morehead, died of pneumonia.

Mrs. Walker was born and raised in this city and was married in Ascension Church, in 1856, by Rev. J. N. Norton, to Mr. Walker.

She leaves three sons and three daughters to mourn her death.

A BLOW IN THE BACK.

An overcoat is a necessary nuisance and the tendency to take it off on warmish days in late autumn and winter is as strong as it is unwise. A treacherous wind hits you in the back and the next morning you have lumbago. Rub well and often with Perry Davis' Painkiller and you will be astonished to find how quickly all soreness is banished. There is but one Painkiller, Perry Davis'.

A WORD IN TIME.

Now that the holidays are passed, we think it time to say a word in advance, looking to the next return of Christmas, in advocacy of an ordinance absolutely prohibiting the shooting of cannon crackers, dynamite cartridges, roman candles, etc., on the streets of our city.

There were quite a number of serious accidents narrowly averted, during the recent celebration, so thanks to the thoughtful crew of boys and young men who were indulging in the so-called sport.

There were quite a number of ladies who were made quite ill by the nervous strain of the constant discharge of these "noise-makers."

A city of ladies had come to the city to make Christmas purchases, alone in vehicles, who were forced to return home without doing so owing to the danger to themselves from having their horses frightened.

We, of course, want children and youths to have a good time at this joyous season, but they must remember that they have no right to have a good time at the expense of danger to the lives and health of other people.

We advocate this measure at this time, in order to prevent loss to the dealers in explosives and so that it may be generally known, in advance, that the use of these things will not be allowed again.

We hope the City Council will take the proper steps while the matter is fresh in the minds of everybody.

On the Threshold of a New Year.

WE WISH TO THANK those who have helped to make our last year's business satisfactory. We acknowledge appreciation and extend to our patrons the sincerest wish that the coming year may be one of happiness and prosperity. Our aim has been to conduct a drug store that should conserve in every way the best interests of the public. The accomplishment of this purpose has been made possible by the steadfast adherence of those to whom this greeting is extended.

WHAT'S IN A NAME?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's the genuine. Sold by all druggists.

"WHEN JOHNNY COMES MARCHING HOME."

A series of brilliant military pictures set to inspiring patriotic music with a well defined story of Civil War times, is the result of the latest effort of Stanislaus Strange and Julian Edwards, the authors of "Dolly Varden." It is called "When Johnny Comes Marching Home," and has been described as the first and only true American comic opera ever produced. It was welcomed in New York, where it was played all last season, to crowded houses and enthusiastic audiences as a genuine novelty.

Although the story is as interesting and well sustained and full of stirring situations as any war play ever written, it is the music which has won all hearts. It is of that popular kind which is at once caught up and arranged for dance music, pot pourri and medleys and played in all the hotels and restaurants most affected by fashionable people. One number, "My Own United States," has been introduced among the patriotic songs of the country, and is being sung in the public schools. When that was first sung with unusual fervor by the entire company on the opening night at the New York theatre, the audience rose and cheered for several minutes, a singular demonstration for a New York audience usually so cold, tranquil and collected. Among other numbers in the opera that have become enormously popular are "Just Marry the Man and be Merry," "Good Bye Yankees," "My Honeyuckle Girl" and "Years Touch Not the Heart." The gem of the opera, however, is "Katie, My Southern Rose." The quaint dresses of the time of the Civil War are reproduced with fidelity, and most of the time the stage is full of pretty girls decked out in the frill and enormous crinoline hoop skirts of a generation ago. The company engaged by Mr. F. C. Whitney is an exceptionally good one and one of the largest comic opera organizations ever formed, while the production as a whole is said to be most gorgeous, rivaling any of the so-called spectacular pieces, in point of scenic splendor or lavish riot of color in costume and mechanical effects. The company, numbering eighty people, mostly pretty girls, will be seen at the Capital Theatre, Saturday, January 9, 1904.

WANTED—A trustworthy gentleman or lady in each county to manage business for an old established house of solid financial standing. A straight, bona fide weekly salary of \$15 paid by check each Monday with all expenses direct from headquarters. Money advanced for expenses. For address, send travel-check. Manager, 380 Caxton Bldg., Chicago.

WHAT'S IN A NAME?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by all druggists.

"WHEN JOHNNY COMES MARCHING HOME."

A series of brilliant military pictures set to inspiring patriotic music with a well defined story of Civil War times, is the result of the latest effort of Stanislaus Strange and Julian Edwards, the authors of "Dolly Varden." It is called "When Johnny Comes Marching Home," and has been described as the first and only true American comic opera ever produced. It was welcome in New York, where it was played all last season, to crowded houses and enthusiastic audiences as a genuine novelty. Although the story is as interesting and well sustained and full of stirring situations as any war play ever written, it is the music which has won all hearts. It is of that popular kind which is at once caught up and arranged for dance music, pot pourris and medleys and played in all the hotels and restaurants most effected by fashionable people. One number, "My Own United States," has been introduced among the patriotic songs of the country, and is being sung in the public schools. When that was first sung with unusual fervor by the entire company on the opening night at the New York theatre, the audience rose and cheered for several minutes, a singular demonstration for a New York audience usually so cold, tranquil and collected. Among other numbers in the opera that have become enormously popular are "Just Marry the Man and be Merry," "Good Bye Yankees," "My Honeysuckle Girl" and "Years Touch Not the Heart." The gem of the opera, however, is "Katie, My Southern Rose." The quaint dresses of the time of the Civil War are reproduced with fidelity, and most of the time the stage is full of pretty girls decked out in the frill and enormous crinoline hoop skirts of a bygone age. The company, excepted by Mr. F. C. Whitney is an exceptionally good one and one of the largest comic opera organizations ever formed, while the production as a whole is said to be most gorgeous, rivaling any of the so-called spectacular pieces. In point of scenic splendor or lavish riot of color in costume and mechanical effects. The company, numbering eighty people, mostly pretty girls, will be seen at the Capital Theatre, Saturday, January 9, 1904.

WANTED—A trustworthy gentleman or lady in each county to manage business for an old established house of solid financial standing. A straight, bona fide weekly salary of \$18 paid by check each Monday with all expenses direct from headquarters. Money advanced for expenses. Enclose addressed envelope. Manager, 360 Caxton Bldg., Chicago. 3-16t.
